ENGINE WARRANTY REGISTRATION

Data Privacy Statement

Caterpillar wishes to thank you for your purchase. We are committed to providing our customers with the finest products and product support available in any market today. To do this, we need to update our database with some specific information. Caterpillar will set the warranty date if you will complete the information below and return this form to us.

You may be entitled to a delivery inspection. To receive the special benefit, ask your servicing Caterpillar dealer if your engine qualifies for a delivery inspection as set forth in the Caterpillar Service Warranty Guide.

If you are registering an engine used in an Oil & Gas application, please use the new Oil & Gas Engine Registration form at <http://catoilandgas.cat.com/engineregistration>

NOTE: Authorized Caterpillar Service providers may require further verification of date of delivery.
